Submitting Your Assignment with Turnitin

Step 1: Complete your assignment and submit to the appropriate Assignment folder in D2L

Did you receive 24% or less Similarity Index on the Originality report?

NO

Step 2: You will need to revise your paper. Consider the following suggestions:

To lower a Similarity Index score, re-work the highlighted areas:

- Ensure proper use of quotation marks
- Ensure proper citing of content from original sources (see APA manual for guidance on citations)
- Properly paraphrase/reword small strings of matching text
- Properly cite other student assignments
- Exclude references if factored in the similarity index
- Include more original analysis and comments

YES!

Your assignment is complete. You do not need to do anything further.

YES!

Correct the deficiencies, then resubmit your assignment to the Assignment folder in D2L. Did you receive 24% or less Similarity Index on the Originality report?
